bang my butt

It doesn't take much for my butt hole to open up to a cock. Just some oral action and a few minutes buried deep in my pussy is all it takes. If you can't wait, then you can't have it. But it's a butt worth waiting for because I can do things with it that other girls only dream of. But, what that is will be my secret, until your cock is in there.

Let's get something straight. I like sex and I'm going to have it my way. There's no debate. The guy's gotta do what I want, when I want. If not, all the doors close and I mean they close tight. But when they open, they're wide open and ready for anything. My back door is propped open right now. Want to cum in?

Denice K sofa so good

In private, I'm much more cuddly. On camera, cuddling is never something the director asks you to do. I also like getting fucked doggy-style. I know that may sound lame, but it's actually my favorite position. Partly because I know my partner is getting a good view and I like the fact that it's probably the position he can penetrate me the deepest."

Dear Editor,

I finally found your magazine after going to a few newsstands and it was worth it. The coverbabe, Renae, is hotter than Phoenix in August, and much prettier. I also liked the rest of the issue. It was very well done and the ladies in it were just marvelous. The layout with the two beauty queens was a pretty vain attempt at humor, but the sex they had was pretty hot, but my favorite layout was with Gianna Lynn. The remaining ladies were all very hot, too, and I like the sex, too. Good job guys, and girls.

THE RENDEZVOUS

I've been married for fifteen years to a wonderful woman, Natalie. We met in high school and married right after we graduated. Neither one of us had been with other people, sexually, so the urge to try someone new was strong, or at least it was in me. Halfway into our marriage, I told her that I wanted to try swinging but Natalie was dead set against it. Unfortunately, I weakened and had an affair, but we reconciled. Nonetheless, it hurt her deeply.

As the years went by, I would constantly bring up swinging and tried to get her to read about it and visit some websites. I then had my second affair. She caught me and ran out of the house in tears and came back eight hours later. I was sick with worry. When she got home she explained that she drove to the Wyndham Hotel because she didn't know if she was going to come home that night. She didn't ask for a room right away, but sat at the bar to think things out. There was a guy there that started talking to her but she ignored him initially. "But he was persistent." she said. He was in town for a technology convention, but he too had been having trouble in his marriage.

He offered to take her home, but invited her up to his room if she would like to come and continue the conversation there. Natalie said she was nervous but he said to tell him what happened. She explained the whole story and he said she should have done what her husband wanted, but if she wanted to she could get revenge with him.

They talked for another couple hours, and he kept coming back to her getting revenge. She said no and she wanted to go home but he said she had gotten him hot and he needed to kiss her. She tried to leave but he was too strong. She said no and he reminded her how I had cheated and to my amazement she let him touch her. She decided to let him unbutton her blouse and bra and suck on her nipples. He then wanted to go to the bed but she said no. She said she was feeling confused, and a little scared.

Then, to my surprise she said she told him that she would masturbate him. He took it out and it was huge, she said it was much bigger then mine. He put her hand on it and she then stroked it. She rubbed his balls and made him last a long time by making her squeeze it every time he was going to come. For over an hour he kept trying to force her mouth on it but she kept pushing away. Eventually, he shot a huge load all over her chest. She then went and cleaned up.

She said that was all that happened. He did not go any further and neither did she. We talked about it and her feelings for an-

other hours. I kept saying that it was okay and I'm glad she was home. I said what do you want to do and she said "Let's go to bed, bay, I want to fuck you." With an emphasis on the – you!

In our bedroom, we fucked for hours that night. She asked me if I would stop the affair if she became more open. I said yes but what did she mean by more open. She said the guy and her had talked for hours and he wanted to meet her the next night but she said no, not without my husband. He agreed. I guess time will tell where we from here, and so will Natalie.

ANONYMOUS

I had always had a secret yearning for a BIG dick and when I shared a taxi home with an attractive guy, I knew right away I was going to come onto him. I had an instinct that he was interested in me, but I had never had anonymous sex before. We arrived at his home first and he lingered in the taxi a little to thank me for the companionship and gave me his business card on which he wrote his number. I said good night and he got out the car and went home. I was on fire sexually and when I got home I stripped off my clothes and masturbated in the bathtub imaging his extra large cock was inside me.

The next day was Saturday and I left him a slightly frantic voice message explaining that I really wanted to be fucked by a guy with a very large dick. If that was him, then he could call me back. If he didn't have a BIG one, then thank you, but no thank you, this time.

Within ten minutes I received a call back that he would be happy to fuck me. He said that he never got any complaints about his size, and the last time he measured, it was over ten inches. Aware that this was a rather stupid and dangerous thing to do, I was too far gone to change my mind now. I called him and got his address. I told him that it would be by first time and that I may change my mind when I got there. He seemed genuine and understanding and sensible or not I decided to take the risk.

I was there in half an hour, and my heart was pounding with anticipation, excitement and probably fear. I rang the doorbell. He answered the door in boxers and a t-shirt. What I really wanted to experience, and what I had never experienced was a man's BIG hard cock. I followed him to his room. He invited me to sit on the bed. I sat, and he sat next to me. I don't remember what he said at this point, but I was not interested in talking, so I put my hand between his legs and touched his bulge. This was exhilarating and I quickly slipped my hand into his shorts, taking out his considerable man meat.

I gulped as I held his BIG dick in my hand. I was teasing my mind with the thought of his dick in my mouth. Not for long though. I kissed the tip of his now rock hard penis. I licked up the shaft from his balls and slowly opened my mouth wide for him. Closing my mouth around his thick cock was an intensely scary feeling. I sucked on his cock and he said that I was going to make him cum, and although I wanted him to explode in my mouth, more than that, I wanted to feel his BIGness inside my pussy.

I stood up in front of him and pulled of my clothes and let him look at me. I came closer and sat slowly on his cock. Thank god I was so wet that it made it easier. I eased my pussy down on it as he fondled my boobs. It felt wonderful, much better than I expected. It filled me full and I could feel its sides against my love walls. I rode him for ten long minutes before he had to come out to cum. He was indeed BIG and I was in heaven.

Mysti May your dreams cum true

I love impulsive sex because all my other sex is always orchestrated, when to start, when to stop, when to cum, even who I'm doing it with. If I'm in the mall with a guy and I get the urge, I'm going to find a secluded spot to take him to and do it right then and there. I don't have to cum in a situation like that, but the itch is there and you know you've got to scratch the itch.

Camilla likes to be on top

Do you think I'm really that hard to please? So my answer would be 'no' and 'yes.' In my public life, I'm not hard to please. I don't require expensive gifts or drive a fancy car. I'm a bit of a homebody and I like it that way. But my sex life, I'm harder.

a man's work is never done...

Running behind her already tight schedule, Bailey quickly dressed in the first thing she could grab from her closet and threw it on. She was finally dressed, and she put on her makeup and grabbed her purse and headed for the door. This was going to be a long day! She made it to the car and started off to work. She made it to work and rushed into the office, explaining to her boss why she was late. Her boss wasn't any too pleased, but chewing her out wouldn't get her work done any faster, so he just told her to get busy. She wanted to grab a quick bite to eat so she could work through her lunch and get caught up, but as she stood in line at the cafeteria, she realized that she only had a couple bucks in cash in her wallet. So she went to the vending machine, and got a candy bar and a bag of chips. That and a cup of coffee would have to serve as lunch! And without breakfast that morning, the afternoon was going to be a hungry one! She made it through the work day somehow, and then tired from the stressful day, she headed for home.

A girlfriend who works in the same office had introduced Mario to Bailey a couple of months after her 32rd birthday, and they had been dating for about three months now. Mario was five years older than her, and while Bailey had led a pretty quiet dating life, Mario was more outgoing and social. He was everything Bailey had wanted in a man at the time; successful, handsome, great in bed and open to just about anything when it came to sex. Now she had ten minutes to get ready for her date with Mario and she had no idea what to wear! She wanted this night to be special. They been taking it slow and getting to know each other better, but she was hoping tonight to change that. Bailey dug out her favorite black dress - the one that looks like it was painted on! It was a plunging halter top and she planned on making Mario salivate tonight!

Suddenly, her house phone ran. Bailey raced downstairs to get it, but she had missed the call. She played the answering machine message hoping that whoever it was at least left a message. It was Mario, he had to cancel their date, he couldn't get away from the office. FUCK! Bailey thought as she hung up. So much for her night of fun! She went back upstairs and got undressed. No need for her hot dress tonight. But as she got undressed and was putting her dress back in the closet, she began feeling guilty. Mario had been working so much lately. Poor Mario had hardly had time for dinner much less a dinner date! That's when Bailey had an inspiration and knew just what she could do to solve both of their problems! She headed for the shower smiling and humming under her breath as she formulated her big plans in her head.

Bailey was excited as she got out of the cab in front of Mario's office. She went over her plan and just what she wanted to say to him as she rode the elevator up to his floor. As she stepped out of the elevator, she hoped he wouldn't be upset with her just showing up like this. She had never visited him at work and didn't know how he would take it, to be truthful. But she was here so she might as well go through with it now.

...until she says so

She found his office and peering around the corner, she saw him. His feet were up on his desk and he was reading some papers. He didn't see her come in and the carpeted floor didn't give her away either. She knocked lightly on the door jam and he looked up, quite startled to see her standing there. In a gruff voice he said that he had a lot of work to do and didn't she get his message? Bailey said she did but just had to see him, anyway. She took a couple steps into his office and opened her coat and let it slip down her arms and onto the floor. She couldn't help but smile at the look on his face as she stood there in her heels, stockings, and her tiny, tiny panties. His eyes bulged and he tried to say something but only mumbles came out. Bailey walked over and kissed him and he hesitated a moment before kissing her back, still trying to wrap his mind around what was happening. He wrapped his hands slowly around her waist and pulled her in closer. Bailey deepened her kiss as she felt his hands on her bare skin, opening her soft lips and inviting his tongue to come play with hers. Bailey reached up and ran her fingers through his hair grabbing hold of his collar-length black locks hands and pulling him closer as she rubbed her naked boobs against his shirt. The sensations sent little electric sparks through her stiff nipples and she moaned softly. Mario leaned down and put his mouth on her neck and shoulders, biting her softly.

Bailey's hands were trembling as she fumbled with the buttons on his shirt. He stopped kissing her and unbuttoned the shirt himself, as Bailey reached inside and ran her hands across his chest and down his belly. Mario groaned, and quickly unbuckled his pants and dropped them to the floor around his ankles. Bailey lowered herself down his body, kissing him softly as she did. Upon reaching his boxers, she pulled them down slowly, teasingly. Released now from its cotton prison, his hard cock sprang up, rigid and pulsing before her waiting mouth and she smiled as she kissed the tip. Mario gasped as Bailey took his hardness into her mouth, sheathing her teeth behind her lips and sliding halfway down his length. She twirled her tongue around his cock and soaked him in her spit. Bailey pulled back to his tip and slid down again trying to go a little farther this time. Bailey pulled back again, this time completely out of her mouth, then she leaned forward to resume her task. She ran her soft tongue down the length of him, tasting his muskiness and sweat.

...she pulled them down slowly, teasingly. Released now from its cotton prison, his hard cock sprang up, rigid and pulsing before her waiting mouth...

He pulled out of her mouth and lifted her back to her feet. He kissed her deeply, his tongue engaging hers. Suddenly she broke the kiss and with a seductive little smile she took him by the necktie and turning with the tie over her shoulder, she led Mario across the room to the desk. She turned to face him again and backed up to the desk, hopping up on it. Bailey felt the cool hardness of the desktop against her ass and she sat back, inviting him closer. He leaned in and kissed her again, grinding his hardness into her panties. His hands reached up and cupped her boobs and he fingered her stiff aching nipples, causing her to moan softly. He ran his thumbs over and around her nipples which instantly hardened and poked out needing more. He leaned in and took one then the other into his mouth and gently bit them. Bailey heard herself groan as he sucked on her nipples harder. By now her panties are now completely soaked.

He picked her up and carried her across the room to a couch that sat in a corner, laid her down and again kissed her deeply and passionately. His head moved down her body, his kisses leaving a trail of fire across her body. Bailey squirmed, trying to get him closer, wanting to feel him inside her. But instead, he stood up and reached for her legs and ran his hands up her legs to the tops of her stockings. Mario reached up, grabbed her panties and pulled them slowly down her legs and off of her. Mario spreads her legs and kneels between them, dipping his head down to her hot mound. She moans as he places his hot mouth over her pussy lips, his tongue parting them before slipping deep inside her wet hole. Bailey gasped and arched her back as he began tonguing her, running his tongue up and down her wet slit. He flicked the tip of his tongue over her engorged and aching clit. Bailey's orgasm began to build deep in her belly. Mario's tongue continued to tease her and she added to his ministrations by reaching up and grabbing her bounteous tits, pinching and pulling and tugging at her nipples. Raising up, he grabs both of Bailey's wide-spread ankles and brings them high in the air. He runs the tip of his cock up and down her slit parting her lips and then pushing forward until she could feel it at the entrance of her pussy.

Bailey gasped as his rod filled her and quickly felt herself matching his hard pace. But Bailey wanted more, she wanted all of him. She clawed at his hips, trying to pull him in deeper, faster, harder. He rolled over while still inside her until he was sitting on the couch with her astride him. Bailey sat on Mario's lap rocking her hips forward in a slow rhythmic grind, pulling his cock out until just the head remains inside her opening and then rocking forward sliding back down his pole till he bottoms out inside her. She rocks back and forth, sawing on his cock as her orgasm climbs to the crest. As she began cumming, Mario pinches and pulls her thick nipples hard, the mixture of pain and pleasure driving her even deeper over the edge. Bailey grabs his wrists and hangs on tightly as she tosses her head back in bliss as the waves of her orgasm wash her away. Bailey's legs trembled and quaked as he pulled her down to him and kissed her but continued pounding her pussy even as she came on his cock. Bailey wrapped her arms around him, riding him for all she was worth. With a final thrust he impaled her, holding himself deep inside her as he added his own white hot cum to hers.

Bailey licks his hardening cock-from the base up and then back down, taking his balls into her mouth.

After several minutes of afterglow, Mario gets off the sofa and heads back behind his desk wearing only his tie. He sits on the black leather seat and reopens the folder he was working on. Bailey crawls over to his desk and wedges herself under it and speads his legs open. He mildly complains but the feel of her lips on his cock, licking their cum, is nothing he'll push her away from. Bailey licks his hardening cock from the base up and then back down, taking his balls into her mouth. Their muskiness is a huge turn on and she increases her sucking until he's rock hard again. This time it's only a few minutes before he comes in her mouth. Mario finally puts his folder down and tells her it's time to go. They gather their clothes and head for the car, naked.

Teoni one is not enough

Should I tell you that this is my first gang bang. Well, it is, unless you count the time in college when I did the quarterback and the tight ends. Or the time on the dude ranch when there were a few cowboys in the hay. Or the time last August when I did a few guys from the pit crew. And there was time when I played tonsil hockey and hide the sausage with some girls on a sleepover. Other than that, this is my first time.

Megan & Morgan love their toys

We think men are usually too rough. A woman will take her time and is going to love you the way you want to be loved. Sometimes when I close my eyes, I think it's me doing it to me. We like using toys and men only want to use their cock. Unfortunately, toys don't usually bring much emotion with them.
